

## ***Leave A Legacy***

If you are making planned tax or memorial donations, we encourage you to consider such a gift to the Paterson Community Centre Bowden.

This gift allows you to invest in the successful operation of the Community Centre while providing you and your family with significant planning opportunities.

All gifts of donation provide the donor with tax benefits, and the Community Centre with critical resources to keep our doors open to the community.

For more information or to make a donation please contact:
